The online B2B MOULDS 2025 is targeted at all companies (SME and large) and institutions searching for international business and new technology partners. Participants will meet during 10-minute bilateral meetings scheduled according to each participant's availability and interests.

In order to register and insert your business profile with a description of your offer, request or project idea, please follow these steps:

1) Registration

Register via the "Register" - (orange bottom, at the top right)

2) Publish a business profile to showcase your needs

Boost your visibility on the Talkb2b platform by creating a clear and brief business profile.

3) Publish an organization profile

Create an organization profile featuring a short teaser and a clear description, specifying the relevant industry and application sectors.

4) Browse profile of attendees

Go to the Participants list tab to find out who is offering interesting and promising business opportunities. You can also use the search to find a specific participant or organization.

5) Send & receive meeting requests

Browse published participants' profiles and send meeting requests to those you want to meet during the event. Here you can send a short message and select the suggested time slots.

6) Matchmaking Meetings

Access your meetings under the Scheduling tab. There you will find your full event agenda and a list of all your confirmed meetings.
